Modern Impressions

1 Post Modern (PM3.02)

Evoking postmodern art, this rug and broadloom series is defined by straight lines and an eye-catching palette. While three colour families are offered, rugs can be customized in shade as well as size.

Materials Heat-set velour, Saxony

Dimensions 300 x 300, 300 x 400, 350 diam. cm

Manufacturer YO2, yoyo-designs.com

2 London

Part of the Globe Trotter collection by Marcel Wanders, this surrealist collage delivers the exuberant vibe one expects from the Dutch designer.

Materials Wool

Dimensions 249 x 350 cm

Manufacturer Roche Bobois, roche-bobois.com

3 Lions at Night

Tbilisi-based studio Rooms referenced traditional Georgian rug motifs and techniques for Lions at Night, one of its three playful rugs combining celestial maps, animal forms and UFOs.

Materials Himalayan wool

Dimensions 230 x 300 cm

Manufacturer CC-Tapis, cc-tapis.com

2

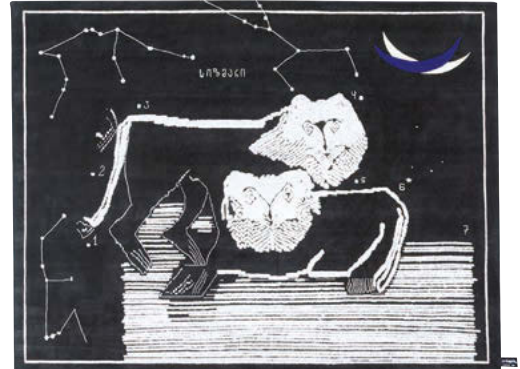

4 Transcendence – Ascend

The work of American designer Joe Doucet, Ascend is one of four designs in the Transcendence collection, meant to illustrate the growing societal support for the transgender community.

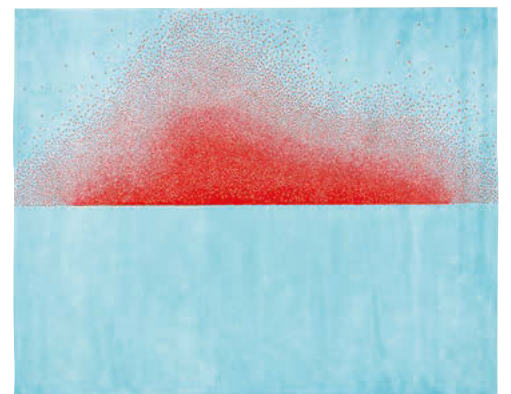

Materials Hand-tufted wool

Dimensions 244 x 305 cm or custom

Manufacturer Odabashian, odabashian.com
